Wenxue Wu, Professor
College of Veterinary Medicine,
China Agriculture University
No.2 Yuanmingyuan West Road, Haidian District, Beijing, 100193
China

Dear Wenxue,

I am writing to you on behalf of National Mastitis Council (NMC) with regard to the Farm visiting taking place January 27-28, cooperation on co-sponsoring international conference in China taking place January 29 and NMC 57th Annual Meeting taking place January 30-February 2, 2018, in Tucson, Arizona, USA.

We cordially invite you to attend the board member meeting of NMC, where we will summing up the experience and lessons of holding 2017 International Bovine Mastitis Conference in China, and discuss the details of the preparatory works for co-sponsoring 2019 International Bovine Mastitis Conference in China.

We also invite you to attend the NMC 57th Annual Meeting, where will discuss the latest technical and applied information related to udder health, milking management, milk quality and milks safety. People from all over the world attend this international forum, which is targeted toward all individuals interested in mastitis control and quality milk production, including veterinarians, producers, researchers, extension specialists, consultants, industry suppliers, field staff, regulatory officials and students. In this regard, on behalf of the Organizing Committee, we are very pleased to welcome you to join the "NMC 57th Annual Meeting", and give poster presentation. Additionally, this conference will offer an unforgettable experience in exploring new opportunities.
